

The Gladesville P&C AGM is to be held on Wednesday the 28 of November in the staff room. At these annual meetings, all positions are vacated and the new team is nominated and voted in. A committee executive is required to have a functioning P&C and this is defined as:

- President
- Vice President
- Secretary
- Treasurer

Without these roles filled, the GPS P&C is unable to function and provide the services and events we all enjoy to the school community. The P&C also consistently raise funds for contribution to the education of our children.

We have been most fortunate at GPS to have many parent volunteers contribute with passion and excellence in executive and committee roles to deliver a great P&C to our school community.

- The uniform shop service
- Greetings On The Green
- Mother's and Father's Day events and gift stalls
- Musical Instrument Hire
- The important Kiss & Ride program
- Countless gelato days, sporting events and election day BBQs
- Important administration including; the management of our meetings, fundraising and volunteers.

2019 will see a number of positions vacated as our tireless volunteers step down in order to hand over to the next generation of GPS P&C. The existing incumbents of these roles will be at GPS in 2019 to handover, assist and advise the new team. We will be looking to fill the following roles:

EXECUTIVE

- President
- Vice President
- Secretary

COMMITTEE

- Events Coordinator to assist Vanessa Wegner
- Communication Coordinator to run the website and Facebook page

If you are interested, please reach out to gladespc@gmail.com to find out more, and please come along to our next meeting on November 7 at 7pm.
