Presentation Day- Save the Date

Dear Parents/ Carers,

The movement to Level 3 Guidelines has seen the release of updated protocols and procedures relating to Presentation Day Assemblies. Please see organisation below about our upcoming virtual assemblies to enable you to save the date. More information, including webinar details, will be sent closer to the assembly dates.

Kindergarten-Year 5

Fully vaccinated visitors (including parents and carers) are only allowed to attend if completing a specific role (such as presenting) and at the invitation of the school. As we do not have parent roles as part of our ceremonies, all Kindergarten to Year 5 Presentation Day Assemblies will be run virtually. Parents/carers of award recipients will be notified prior to the event and provided with login details to the webinar.

Year 6 Graduation

Monday 14 December: 9.45am

The current COVID-19 school operation guidelines, outline that if an indoor setting is selected, the venue must be well ventilated and as large as possible for the number of attendees, notwithstanding any square metre rules.

The school hall has a limit of 100 people due to COVID restrictions, which includes students and staff. With 57 students in Year 6, parent attendance is therefore not possible for this event. To include families, the ceremony will be live streamed.

During this event the Farewell Address and video presentations will take place and Year 6 students will be presented with their Graduation Certificates. This usually occurs at the Year 6 Farewell Evening, however due to current restrictions this year's Graduation will be combined with the Presentation Day.
